5:00pm -- HABF Dinner in the HHS Cafeteria. Bring your \$50 for HABF Meal Ticket ASAP if you forgot last week! For safety reasons, students must stay on campus during our dinner break.

5:30pm -- Dress in Uniform, Uniform Inspection

6:15pm -- Depart for [Old Birdville Stadium for game vs. Crowley](#)

??:??pm -- Return to HHS after Game. Our Friday night end time is always unknown. With this week being a home game, we should arrive back at HHS much sooner than the first game, HOWEVER, we will always go through a detailed process of putting the uniforms away with a formal dismissal. For the first few games this process may take between 30-45 minutes after arrival back at HHS, but will be much quicker as the season progresses. If you use Twitter, Ms. Myers, one of our awesome nurses, will tweet from "haltomband" when we expect to be back at HHS after a game.

A note from last week: The horseshoe in the front of the school must be clear for buses when we return. Consider parking across the street in the student parking lot for pick-up to avoid congestion and delay in the horseshoe when the buses of band students, drill team members and cheerleaders need access to the horseshoe all at once. Thank you!
