

Moonlight Marching Madness!!

A new annual tradition!! After the great success as a fundraiser for the trip to the Rose Parade last year, the BISD parent booster groups are combing for this event at the Fine Arts/Athletic Complex (FAAC). All three bands will march for an hour each around the FAAC. Various games & vendor booths will be on-site. We will have a live DJ and the kids will have about an hour after the last marching is finished to socialize together.

Volunteers needed to man the games, help with traffic control,assist with cleanup. We have several 2-hour windows beginning at 3pm and ending at midnite. Please email Lisa DeGroote from our “contact us” page and let her know when you are available.
